

Krishna Hospitals, located in the heart of Vijayawada, is in very close proximity to Central Bus & Railway Station, ensuring easy access for all patients. Previously Global Hospitals, we now operate under new management and leadership, enhancing our commitment to excellence.

With a team of dedicated doctors & nursing staff, we provide multi-specialty services and offer advanced facilities like Specialized Operation Theaters, Cath Lab, and Modern ICUs. Our 150-bedded hospital is equipped to handle a wide range of medical needs, ensuring quality care for all patients.

Additionally, with Signet Diagnostics, we also provide comprehensive diagnostic services all under one roof.
